Welcome back!

We are making the most of the good weather, while it lasts! P3 children made dens as part of their Houses and Homes topic, and the children enjoy packed lunch outside when possible. If you have any unwanted picnic blankets or rugs, please send them in to give the children a softer seat and encourage a sociable lunch time.

The children all look very smart in their school uniform. Please remember all children from P1-P7 should be wearing a white shirt and school tie, the yellow polo shirt is for the summer term only.

Please make sure ALL uniform is clearly labelled—if it comes off it can be lost! Already there are new un-named cardigans and sweatshirts found.

Thank you for sending in stationery items with your children, remember to check that your child has these every day. We are very grateful to parents who have helped us by supplying paper and contributing £5 to each class' active learning fund.

Safeguarding

The safety of the children is of utmost importance. Please return permission slip on the letter sent home with P4-7 children regarding your choice for their going home arrangements. All Nursery—P3 children should be collected by a known adult.

Please make every effort to be on time in the mornings and afternoons. Be mindful of children's safety and respect our neighbours. The back gate is for pedestrian access only. We are fortunate to have two School Crossing Patrols, but they can only be effective if children, parents and drivers respect their instructions. I know time is precious for everyone, but the safety of our children is even more important.

We are keen to develop the independence of the children. P2-7 children should be coming in by themselves, if you need to speak to a teacher, please go to Mrs Osborne and she will ask the teacher to come and speak to you. This will also help us to ensure the children's safety.

Star of the week sill begin next week, but congratulations to Miss Tumelty's class on getting the extra playtime for superb behaviour in the corridors.

Please come along to our first meeting of Friends of Rosetta in the Staff Room on Wednesday 19th September at 7.30pm.
