Individual parent teacher meetings for P1-6 children will take place w/b 21st October. School will finish at 1.10pm from 21st—25th October for all P1-P7 pupils to facilitate the interviews. This is a really good opportunity to share information about your child, children learn best when home and school are working together. Please make every effort to attend.

If your child will not be in school, please text on 07586589326 rather than phoning.

SAFEGUARDING OUR CHILDREN

The local PSNI officer, PC McGarry called again last week and warned a car not to park on the double yellow lines. The cones are there to make the zigzag marking clear to drivers, and keep our children safe. Parking on double yellow lines is illegal, can result in a fine and causes problems with the traffic flow, which will put the children at risk.

PLEASE park with consideration for everyone, a short walk is better than a serious accident.

The doors open in the morning at 8.45. Please note there is NO SUPERVISION of children before then. If you allow your children to walk home by themselves, they must still leave the playground promptly, school facilities cannot be used (e.g to play football) if it is not an after school activity led by staff or a properly insured and vetted after school provider. If you collect your children, please ensure they are properly supervised while in the playground. It is important that children take all their belongings home with them at home time, it may not be safe to come into school later when corridors are being cleaned and the floors may be wet.
